Mr. Speaker and Gentlemen of the Assembly:

Your Joint Committee, appointed in pursuance to Assembly Concurrent Resolution No. 24—Relative to drafting suitable resolutions upon the death of our late brother and fellow member, Honorable Frank M. Rutherford—begs leave to submit the following:

WHEREAS, In the death of Hon. Frank M. Rutherford this Legislature has sustained the loss of one of its most beloved and respected members, and the State of California a most honored, useful and patriotic citizen, it is but fitting and proper that we should at this time give some expression of that sense of irretrievable loss which so heavily oppresses us, and to the feeling of sincere veneration that so deeply moves our hearts.

Frank M. Rutherford was faithful, loyal and sympathetic in his friendships; honest, conscientious and painstaking in his performance of duty; always worthy of the confidence reposed in him; reliable in every respect. His work as a public servant was constructive and enduring; his professional life was an expression of the highest integrity and the loftiest ethical conception; in his private life and in his intimate associations of friendship were made manifest his true greatness of heart and soul. Genial, loving and unselfish by nature, he drew very close to him all who were privileged to associate with him, and especially, therefore, are we mindful of the immeasurable loss sustained by those closest to him in family relationship, and to his wife and family so sorely bereaved we extend a heartfelt sympathy, hoping that there may be given to them some comfort in the thought that the loved one departed is held in loving esteem by those who were here associated with him in the discharge of public duty; and be it

Resolved, That a copy of these resolutions be engrossed by the Chief Clerk of the Assembly, and that the same be conveyed to the wife and family of the late

That on the fifth day of May, 1915, said sub-committee made the report to said committee hereunto annexed, marked Exhibit "A" and made a part hereof;

That thereupon, at a meeting of said Committee on Judiciary, held on the sixth day of May, 1915, the said report of said sub-committee was adopted as the report to be submitted to this Assembly on the part of said Committee on Judiciary.

In accordance with said report of said sub-committee, adopted as aforesaid, your Committee on Judiciary recommends that the Hon John L. Childs, judge of the Superior Court of the State of California, in and for the county of Del Norte, be not impeached.

Respectfully submitted,

FISH, Chairman.

Report of the Sub-Committee of the Assembly Judiciary Committee.

EXHIBIT "A".

To the Judiciary Committee of the Assembly:

GENTLEMEN Your sub-committee, appointed to investigate charges of misdemeanors in office committed by the Honorable John L. Childs, Judge of the Superior Court of the State of California, in and for the county of Del Norte, and requesting his impeachment, submits the following report and recommendations, to wit:

In the above entitled matter there was presented to the Honorable C. C. Young, Speaker, and through the Speaker to the Assembly of the State of California, on the first day of April, 1915, a complaint and petition signed by various citizens of the county of Del Norte in which said citizens charged John L. Childs, a judge of the Superior Court of the State of California, in and for the county of Del Norte, with misdemeanors in office and requesting an investigation to be made thereof and his impeachment therefor.

On the said first day of April, 1915, and after said complaint and petition had been presented to the Assembly, the following resolution was offered and adopted, to wit:

WHEREAS, Mrs. Frank Ladison, Jno J. Duffy, Robt W. Miller, West Duley, Mrs. A. E. Flemming, Mary Duley, Mrs. V. C. Kindel, Valta Kindel, Frank Ladison, N. G. McVay, W. H. McMaster, A. B. Evans, M. M. Evans, George Carlton, Thos. E. Pencock, J. Hestrey, J. L. Musick, J. R. Peveler, G. W. Wakefield, Geo. Hall, Levi Chaney, Mary Chaney, W. D. Tryon, Jr., Mrs. Wm Tryon, Mrs. Alex Moseley, Hilda E. Tryon, Allen Morrison, Paul Friedrich, C. M. Lockwood, Joseph Maris, Lewis Kamberg, F. V. Vincent, William Waggle, Caeres Pediani, John Mackudee, I. A. Haight, Ray Plaisted, purporting to be residents, citizens, electors, and taxpayers of the county of Del Norte, State of California, have presented to this Assembly their memorial charging that John L. Childs, judge of the Superior Court of the State of California, in and for the county of Del Norte, has been guilty of misdemeanor in office, and request that this body investigate said charges, and

WHEREAS, If said charges be found to be true, said judge should be dealt with according to law, and if found to be untrue, the judicial character of said judge should be vindicated and said court be relieved from all suspicion; therefore, be it

Resolved That the Judiciary Committee of the Assembly be and it is hereby authorized to investigate said charges, and to report to this Assembly whether the said judge has so acted in his judicial capacity, or otherwise, as to require the exercise of the constitutional power of this Assembly to present impeachment charges against said judge, and

Resolved, further, That for the purpose of such investigation, the said committee, and such sub-committee, as the said committee may appoint, are hereby authorized and empowered to send for persons and papers, to administer oaths, to take testimony, and to employ such clerical help and other assistance as may be necessary, and the said committee, or sub-committee, while so employed, shall have full power to enforce the attendance of witnesses, with a sergeant-at-arms, who shall serve the process of said committee, or sub-committee, and shall execute its orders and shall attend sittings thereof as ordered and directed by said committee, and

Resolved further, That the expenses of such investigation shall be paid out of the Contingent Fund of the Assembly.

Thereafter and pursuant to such resolution, the undersigned sub-committee was, on the fifth day of April, 1915, appointed, and met and decided to begin said investigation in the Judiciary Committee Room of the Assembly on the fourteenth day of April, 1915, at 7.30 o'clock p.m., and a notice to that effect, together with a copy of said complaint and petition filed against said Honorable John L. Childs was, on said fifth day of April, 1915, forwarded to said Honorable John L. Childs at Crescent City, Del Norte County.

Your sub-committee decided that all testimony should be taken down by a competent shorthand reporter and further decided that each witness subpoenaed by said sub-committee, or witnesses appearing before said sub-committee, offering proper testimony in the matter, should be reimbursed his actual expenses incurred in traveling to and from said hearing, and in addition should be compensated in the sum of \$2.50 per day while in attendance as a witness before said sub-committee. In accordance with such action of your sub-committee the said hearing began on April 14, 1915, and was concluded and submitted to your sub-committee for decision.

and report on May 3, 1915. J. M. Hanley, Esq., appeared as counsel and attorney for the complainants and petitioners and Messrs. W. Hoff Cook, R. L. Taylor, J. M. Inman and Geo. W. Howe appeared with said John L. Childs as counsel and attorneys for said Honorable John L. Childs.

The hearing was held open to the public. Forty-nine witnesses were sworn and examined on behalf of both the proponents of said charges and of said Honorable John L. Childs, and some of the witnesses were examined by said sub-committee without the request of either the proponents of said charges or said Honorable John L. Childs. There has been a great amount of court records, affidavits and other miscellaneous papers introduced and presented to your sub-committee by the respective parties, most of which has been allowed and taken into consideration as proper to be considered. In addition to said documentary evidence your sub-committee has had transcribed approximately thirty-five thousand folios of testimony offered by witnesses duly and regularly sworn to testify before said sub-committee, and your sub-committee has also examined numerous cases and assiduously studied the law dealing with the impeachment of public officers and the evidence adduced herein as bearing upon the integrity, conduct, qualifications and ability of said judge.

And, after duly and deliberately considering all the testimony and other evidence, oral and documentary, introduced and allowed as proper to be considered by your sub-committee in said matter, said sub-committee finds and recommends as follows:

SPECIFICATION 1.

SUBDIVISION ONE OF SPECIFICATION ONE.

As follows:

(1) That in the month of January, 1913, a criminal complaint was filed in the Justice's Court of the township of Crescent City, county of Del Norte, State of California, charging one, Ruby Bartol, of having committed a statutory offense against the laws of the State of California; that a warrant of arrest thereafter issued and was placed in the hands of the sheriff of said Del Norte County for service, that at said time the said Ruby Bartol was a resident of Gold Beach, county of Curry, State of Oregon, that said John L. Childs accompanied said sheriff, to wit, one Andy Huffman, to said State of Oregon, and then and there without informing the said Ruby Bartol of the offense charged against her induced said Ruby Bartol to accompany said Huffman and said Childs to Crescent City, Del Norte County, State of California, and without having informed her as to her constitutional rights, that while at said Gold Beach, county and state aforesaid, said Childs in conversing with one W. A. Wood then and there a county judge of said Curry County said "I have investigated the charges made against Mrs. Bartol, and know that she is guilty of the crime charged without a doubt. We are going to take her back to Crescent City and make her answer for her wrongdoing"; that subsequently the said Ruby Bartol was held to answer before said Superior Court in Del Norte County, said John L. Childs presiding, and placed upon trial in said court, said Childs presiding as judge thereof at said trial, that a verdict of guilty was rendered by the jury in said case, that thereafter the said Childs as said judge notwithstanding the fact that he had already expressed an opinion prior to said trial as to the absolute and unqualified guilt of said Ruby Bartol, sentenced her to a term of imprisonment of forty years in the state's prison of the State of California, where she is now confined.

is generally and substantially true, that is to say, the said Judge John L. Childs did accompany the sheriff of the county of Del Norte into the State of Oregon and said sheriff at said time went to the State of Oregon for the purpose of arresting and returning to the State of California for trial in the county of Del Norte, Ruby Bartol on a felony charge but that said Ruby Bartol was, before being returned to California, informed of her constitutional rights; that said John L. Childs, while in Oregon did state to one W. A. Wood, judge of the County Court of Curry County, State of Oregon, that he knew or thought that said Ruby Bartol was guilty of the crime charged without a doubt, and that he was going to take her back to Crescent City to answer for her wrongdoing; that he subsequently presided at the trial of said Ruby Bartol; that said W. A. Wood was one of the counsel for said Ruby Bartol at said trial, and knowing the statement made to him by said John L. Childs, failed to object at said trial to said John L. Childs presiding thereat, that in the opinion of the sub-committee the said John L. Childs in accompanying the sheriff to Oregon and in presiding at said trial of said case committed a serious judicial indiscretion and was guilty of serious judicial misconduct.

SUBDIVISION TWO OF SPECIFICATION ONE.

As follows:

(2) That in the month of April, 1913, one J. P. Bowman then and there engaged in running a drug store in Crescent City aforesaid was declared a bankrupt that thereafter said Bowman departed from said Del Norte County and took up his residence in the city and county of San Francisco, State of California, that after his arrival in said city and county a complaint was filed in the Justice's Court in Crescent City aforesaid, charging said Bowman with the crime of obtaining money under false pretenses; that while said charge was pending in said court, said Childs then sitting as a judge of extra sessions in the Superior Court of the State of

California, in and for the city and county of San Francisco, approached one Waldemar H. Hamm, a former resident of Del Norte County aforesaid, and whom said Childs knew to be acquainted with said Bowman, and said Childs then and there stated to said Hamm that he desired to employ said Hamm as a detective for the purpose of tracing the movements of said Bowman from the time he left Grants Pass, State of Oregon, until said Bowman arrived in San Francisco (said Grants Pass being on the route traveled by said Bowman in transit to San Francisco), that the employment was in relation to criminal proceedings pending against said Bowman in said Del Norte County, that said Childs then and there stated to said Hamm that he believed that said Bowman left Crescent City aforesaid with opium and other valuable drugs valued at approximately \$2,000, and that the creditors of said Bowman desired to find the place where said drugs were sold by said Bowman; and said Childs then and there stated that he believed that said Bowman was guilty of the offense charged against him in said complaint on file in said Justice's Court, and that said Bowman ought to be convicted; that thereafter the said Bowman was held to answer before the Superior Court in said Del Norte County, said Childs presiding, that subsequently said Childs presided as judge at the trial of said Bowman, that the jury in said case returned a special verdict amounting to an acquittal of said defendant which it had been entered and recorded by said Childs would have been binding upon the Court and the said defendant would have been entitled to his discharge (cf *People vs. Bowman*, 24 Cal App 787), but said Childs as judge aforesaid refused to declare said verdict and have it entered, and destroyed the same, and announced to the jury: "This doesn't find him guilty of anything"; that said jury thereupon returned a general verdict of guilty, and said Bowman was thereafter sentenced by said Childs to serve a term of seven years in San Quentin Prison where he is now confined.

It is not proven to the satisfaction of the sub-committee in that it has not been shown that said John L. Childs employed or attempted to employ any detective in any improper manner or in relation to any proceedings in the Superior Court of said Del Norte County or any other court in said county. We further find that the charge that said Childs influenced the jury in the case of *People vs. Bowman* referred to in said subdivision 2, in instructing them to bring in a verdict of 'Guilty' is not established and that the matters therein referred to were fully reviewed and determined in the decision of the Appellate Court in the case of *People vs. Bowman* 24 Cal App 787, and that your sub-committee feels that they should respect said decision and that they should not go behind the same, although the remark of said John L. Childs, while presiding as judge at the trial of said Bowman to said jury at the time said jury returned a verdict in said case, as follows: "This doesn't find him guilty of anything," was highly improper and a breach of judicial propriety, although not reversible error.

SUBDIVISION THREE OF SPECIFICATION ONE.

As follows:

(3) That in the month of November, 1910, one Thomas J. Whalen while an employee of Hobbs, Wall & Co., a corporation engaged in logging operations in said Del Norte County suffered injuries, and contemplated bringing an action against said Company for damages for said injuries, that said Whalen engaged attorneys residing in Del Norte County and in Humboldt County for the purpose of instituting said action; that after receiving medical attention in a Hospital in said Crescent City and announcing his intention publicly of bringing action against said Company he was approached by said Childs in a saloon conducted by one William Murphy in said Crescent City, and said Childs then and there endeavored to compromise said action against said Company by informing said Whalen that it was a foolish thing for said Whalen to bring action against said Company, and that if said Whalen would remain in Del Norte County said Company would set him up in business in a news and candy store; that said Whalen then and there refused to accept said offer of compromise for damages for injuries as aforesaid occasioned by the negligence of said Company and more particularly set out in the complaint subsequently filed against said Company; that thereafter the attorneys for said Whalen, believing that a fair and impartial trial of said action could not be secured before said Childs in said Del Norte County on account of the activity of said Childs on behalf of said Company in endeavoring to discourage said Whalen from collecting damages for his said injuries, filed a complaint in the Superior Court of the State of California, in and for the City and County of San Francisco, on the 15th day of April, 1911, against said Company; that said action is number 37223 in said Superior Court, and was then and there pending before Department 5, of said court; that thereafter the defendant in said action moved for a change of venue to the Superior Court in said Del Norte County, knowing of the activity of said Childs on behalf of said defendant as aforesaid in said Crescent City, that in opposition to defendant's motion for change of venue to Del Norte County from the City and County of San Francisco plaintiff Whalen made a certain affidavit which said affidavit is now on file in said Court in said action.

It is not substantiated by any of the testimony adduced or presented to your sub-committee. We find, however, that the conduct of said judge in approaching said

Whalen in regard to said matter in the saloon of one Murphy at Crescent City is deserving of censure and criticism in that he was unduly active in prospective litigation against the firm of Hobbs-Wall & Company.

SPECIFICATION 2.

That the first paragraph of Specification 2 of said complaint, to the effect that said Judge John L. Childs is indebted to various persons, firms, and corporations in the county of Del Norte and particularly to persons, firms, and corporations who have had or may have litigation in the Superior Court of said Del Norte County, is true, but such business relations of the judge of said Superior Court with the citizens and litigants of Del Norte County is not altogether proper. That it was not proven that said Childs was guilty of borrowing money of the custodians of funds of incompetent persons, minors and infants as alleged in said complaint.

SUBDIVISION ONE OF SPECIFICATION TWO.

As follows:

(1) That in the Estate of Silas Moore, deceased, a matter in probate pending in said court, said Childs presiding, the said Childs was indebted to said estate in the sum of \$500.00 as and for a promissory note in said sum made and delivered by said Childs to said Moore in his lifetime; that said Childs failed and neglected to pay said note during the course of probate of said estate, and in the final decree of distribution signed by said Childs in said estate said note was distributed to the heirs of said Silas Moore, deceased; that thereafter said Childs failed, neglected and refused to pay said note to said heirs, and said indebtedness still remains unpaid; was not proven, except that it was shown that a promissory note for \$500.00 which said Judge John L. Childs owed to one Silas Moore during his lifetime, is still unpaid, and in the decree of distribution of the estate of said Silas Moore, was distributed to the heirs of said Moore.

SUBDIVISION TWO OF SPECIFICATION TWO.

As follows:

(2) That said Childs became indebted to one Christian Fafri in his lifetime in the sum of \$2,000 upon two promissory notes in the sum of \$1,500 and \$500 respectively; that thereafter letters testamentary in said estate were issued out of said Superior Court in said Del Norte County, said Childs presiding as judge thereof; that during the course of probate of said estate said Childs failed, neglected and refused to pay said notes and said \$2,000; that thereafter the executors in said estate instituted suit in said Court against said Childs and certain sureties who indorsed said notes; that said action is now pending in said Superior Court, and at no time in said proceedings in said estate did said Childs disqualify himself to sit in said matter.

is true, that is to say, said Judge John L. Childs owed the sum of \$2,000, evidenced by two promissory notes, to Christian Fafri in his lifetime; that at the time of the death of said Christian Fafri, said notes were not paid and said Judge John L. Childs has not since paid said notes to the executors of said estate of said Christian Fafri, deceased, nor at all, and in an action brought by the said executors against said John L. Childs and certain sureties who indorsed said notes, for the purpose of collecting the same, said John L. Childs did, in his answer, plead the statute of limitations, for the purpose of avoiding the payment of said just indebtedness.

SUBDIVISION THREE OF SPECIFICATION TWO.

As follows:

(3) That in a certain matter pending in said court and entitled In the Matter of the Guardianship of the Person and Estate of Thomas J. Darby, an incompetent person, then and there pending in said court, said Childs presiding as judge thereof, said Childs became indebted to the guardian of said person and estate in the sum of \$3,000 borrowed from said guardian, and which said sum of money belonged to the person and estate of said incompetent, that while said matter was pending in said court, said Childs presiding as aforesaid, said Childs passed upon and approved the reports and accounts of said guardian; that thereafter the said incompetent died, and on 19th day of May, 1914, one Susan A. Duffy was appointed administratrix of the estate of said Thomas J. Darby, deceased; that since that time no inventory and appraisement in said estate has been returned and filed by said administratrix in said estate; that said estate on the filing of the last annual report of the said guardian consisted of assets amounting to \$14,000, the amount of cash on hand being only \$200; that said Childs has refused, neglected, and failed to pay said sum of \$3,000 to said estate, and has never disqualified himself to sit in said matter is not sustained by the evidence.

SUBDIVISION FOUR OF SPECIFICATION TWO.

Is as follows:

(4) That said Childs while holding said office of judge of said Superior Court has at various times accepted employment as an attorney at law for individuals, firms, and corporations, and has performed legal services for which he has received compensation from said individuals, firms, and corporations, that said Childs acted

in said capacity of attorney in promoting and organizing the Crescent City Bank, a corporation transacting a general banking business in Crescent City aforesaid; that thereafter he presented a bill to the directors of said bank in the sum of \$1,000 for legal services rendered, that said bank refused to pay said bill, that subsequent thereto said Childs approached an officer of said bank and made a proposition to said officer that if he would allow the claim of \$1,000 said Childs would split fees with him, that is, said Childs would give to said officer of said bank the sum of \$500; that within the last year he has acted in the capacity of attorney at law for a person charged with the commission of crime in the State of Oregon, that he is now acting as attorney at law in an estate now pending in said State of Oregon; that in accepting these various employments as an attorney at law said Childs has absented himself from the county of Del Norte from time to time, and has engaged in the dual capacity of an active practitioner and a judge; that there are several practicing attorneys at the bar of Del Norte County; that said Childs has advised litigants and persons having business before said court to employ one attorney in particular practicing at said bar, to wit, one George W. Howe; that said Howe is the personal attorney for said Childs in litigation pending in said Superior Court; and in this particular it is here specified that upon the death of one Sam Jordan in 1914, said Childs approached the heirs of said Jordan and advised the employment of said Howe as attorney for said estate; that said estate consisted of a certificate of deposit in the Bank of Crescent City in the sum of \$3,500; that said Childs at said time well knew that said Jordan at the date of his death was a resident of the State of Oregon, that on the death of one Louis De Martin of said Del Norte County said Childs approached the heirs of said De Martin and advised the employment of said Howe as attorney for said estate; that said Childs then and there stated that he would fix the fee of said Howe at \$50, that said heirs employed said Howe who thereafter acted as attorney for said estate during probate proceedings therein in said court, that subsequent thereto said Howe presented a bill to said heirs in the sum of \$250 and informed said heirs that they would have to pay said sum as said Childs as judge aforesaid would fix that amount as the fee of said Howe as attorney for said estate.

That that portion of subdivision 4 of section 2 of said complaint in which it is alleged that at various times set forth said John I. Childs accepted employment as an attorney at law for individuals, firms and corporations and has performed legal services in said Del Norte County in which he has received compensation from firms and persons therein, is not supported by the testimony; that said Childs did not act as an attorney in organizing said Crescent City Bank and in obtaining subscribers to the capital stock thereof, for which he was paid by the directors of said bank the sum of \$100.00; that it is not proven that he was to receive the sum of \$1,000.00 for said services or that he agreed to divide said sum with any officer of the bank; that said Childs has been, as alleged in said complaint, engaged in the practice of law in the State of Oregon, and has appeared in several cases therein as attorney and that he is now acting as attorney in an estate now pending in a court in the State of Oregon, that it is not proven that said Childs has improperly influenced litigants in his court to employ one George W. Howe, as attorney, but it does appear that on several occasions he has personally favored said Howe with employment in and about his court; it is not proven that said Childs approached the heirs of one Sam Jordan in 1914 and advised them to employ said Howe as attorney for said estate; there was evidence presented that, in the estate of one De Martin, said Childs had spoken to one Louis De Martin in relation to hiring said Howe as attorney for said estate and that he had also spoken to some of the heirs of another estate about employing said Howe, but further than that your sub-committee finds that the said Childs has not interfered in the employment by heirs or litigants in his court of attorneys to any great extent.

SPECIFICATION 3

As follows

That said Childs is the editor, proprietor and manager of a certain newspaper printed and published in Crescent City aforesaid, that at various times said Childs has written editorials and published same in said newspaper directed against persons who have criticized the career and actions of said Childs as judge aforesaid; that said editorials contained abusive, scurrilous and libel slanders, that said newspaper is used by said Childs as a means of intimidating those who differ from him as to his conduct and actions as a judge, and as a citizen of said Del Norte County is true. Particularly we find that said Childs acted as the editor and publisher of the *Crescent City Courier*, a newspaper, while judge of said court, that said Childs wrote and as editor and publisher, printed in said newspaper the following article:

"In his published resignation from the above committee, therefore, the Rev. Walters seems to have told three lies about those people. In other words, he seems to be a liar three times. He seems to have told six lies about the court. The fact is the Rev. A. F. W. Walters is a liar. We have very little space for such stuff, and we want to make ourselves clear—hence the strong language. The Rev. A. F. W. Walters, P. C., has joined hands with the worst set of criminals in history. He is working for them and lying for them. Our Lord and Master while on earth said, 'Suffer little children to come unto Me, and forbid them not, for of such is the king-

dom of heaven." The Rev. Walters wants to send them to hell. He is and has been doing his best to that end and has tried to mislead the court and committee by publishing letters purporting to be the words of others, which he wrote himself. The Rev. Walters is an awful liar, and should be turned out of the ministry and out of the Church and kept out until he gets religion. Judas Iscariot was no worse than is the Rev. A. F. W. Walters, P. C. Judas Iscariot betrayed One; Walters betrayed five, and the five are helpless little children," etc.

... that in writing and publishing said article said Judge Childs was guilty of misconduct in office and of most indiscreet behavior as a judge of the Superior Court.

SPECIFICATION 4.

As follows:

That said Childs is grossly incompetent and unfit to discharge the duties of office of judge of the Superior Court of the State of California, in and for the county of Del Norte, that said Childs ignores the plain mandates of law and fails to follow the course of procedure in criminal matters and in civil matters pending in his court as prescribed by the constitution and statutes of the State of California; and in this particular complainants and petitioners specify:

(1) That in the year 1914 one A. F. W. Walters being then and there the pastor of the Methodist Church in said Crescent City was a member of the committee of the juvenile court of said county of Del Norte, that there came before said committee in its regular order a case involving the disposition of five minors being then and there the children of one Ruby Bartol, said Ruby Bartol having theretofore been sentenced by said Childs as judge aforesaid to serve 40 years in the state's prison at San Quentin; that said committee had recommended that the care, custody and control of said minors be given to the sister of said Ruby Bartol, said sister then residing at Hammond, Clatsop County, State of Oregon, that thereafter said Childs refused to send said children to said sister on the ground that said sister was not a fit person to have the care, custody and control of said children; that said Walters made investigation on behalf of said committee at the request of the board of supervisors of said county as to the fitness of said sister to receive said children, that testimony was received from numerous persons residing at Hammond aforesaid where said sister resided, that said children had been farmed out as political assets by said Childs in said county of Del Norte, and as a county charge, that said Childs criticised the actions of said Walters in said matter and published a defamatory article in his said newspaper denouncing said Walters as a liar and a disgrace to the community and to the ministry, and further stating that said Walters was a criminal, that said Walters thereupon filed a complaint with the justice of the peace in said Crescent City charging said Childs with criminal libel, that a warrant of arrest was thereupon issued directed against said Childs; that said justice of the peace set the preliminary hearing of said Childs on said charge, that said Childs ordered that said hearing take place in the court room of said Superior Court, and commanded the remaining justices of the peace in said Del Norte County to sit en banc with the said justices of the peace in Crescent City to hear the evidence to be produced at said preliminary hearing, and that said Childs summoned a grand jury at the same time to hear said evidence at said preliminary hearing, that on the day of said hearing said justices of the peace assembled in said court room as aforesaid, and the said Childs as judge aforesaid duly impaneled the grand jury composed of 19 members, and charged them to sit in open court and hear the evidence to be given at said preliminary hearing, and return a verdict on said evidence, that said Childs appeared at said hearing and charged the grand jury as presiding judge; that he charged the justices of the peace that they were there to hear the evidence and act together judicially as a judicial body, that said Childs appeared as prosecuting attorney and also as attorney for himself; that he examined the witnesses introduced at said hearing, that he interposed objections, and argued propositions of law, and charged said grand jury as to the weight they were to give to the evidence produced before them, and also charged the said justices of the peace aforesaid then and there sitting en banc as to the sufficiency of the evidence, and stated that he confidently expected an acquittal at their hands, that after the case was closed, the said justices of the peace en banc as aforesaid pronounced judgment discharging said Childs from custody; that said grand jury retired to deliberate upon a verdict, and a portion of them returned a verdict acquitting said Childs of said charge, that thereupon said Childs resumed the bench, and as Superior Court judge of said county complimented said justices of the peace and said grand jury upon their prompt discharge of business, and pronounced a judgment acquitting himself of said charge, that said court room was at all times filled with spectators who were not kept in order or restraint and who hooted and hissed during said proceedings and acted in a manner intimidatory of witnesses at said hearing, that in the presence of said spectators said Childs shamefully berated, abused, and denounced said Walters,

is true in part. Your sub-committee further find that the allegation that said Childs as judge of said Superior Court, has in many instances ignored the plain mandates of the law of this State and has failed to follow the course of precedent in criminal matters ordinarily practised and followed in other superior courts and that he has, upon several occasions, violated the plain provisions of the Constitution and the

Statutes of the State of California. That particularly as set forth in subdivision 1 of this specification in the matter of his preliminary hearing upon a complaint charging him with criminal libel, filed in the Justice's Court presided over by Justice of the Peace James Connors, the said Childs requested the grand jury then in session to be present at said preliminary hearing and also requested the presence thereof of justices of the peace Maas and Taylor, the only other justices of the peace of said Del Norte County. That said Childs made such request in order to influence the judgment of the justice of the peace legally charged with the duty of hearing the charge against him in said preliminary proceedings and to obtain a judgment of dismissal of said charge. That by his conduct in said proceeding said Childs was guilty of most unusual and irregular conduct; that said proceeding is without precedent and that by taking such a course the said judge is, in the opinion of your sub-committee, guilty of misconduct.

SPECIFICATION 5.

As follows:

That in the year 1912 the board of supervisors of said Del Norte County duly employed and appointed an expert to examine the books, records, and accounts of the various officers of the said county, that said expert as appears by his report filed with the county clerk of said county on the 26th day of July, 1912, reported that according to the Auditor's statement there should have been in the custody of the county treasurer of said county on said 26th day of July, 1912, the sum of \$29,406.25; that no part of said sum was on said date in the possession or custody of said county treasurer, but that the whole thereof had been withdrawn and lent to various individuals and corporations for which no security had been given, that of said sum the following corporations had obtained and were using in their business without any security whatsoever being given therefor, the following amounts:

Hobbs, Wall & Co.....	\$15,617 70
Crescent City Bank.....	\$ 6,000 00

that other sums were represented by tags and checks in various sums from \$100.00 to \$1,000.00; that the looting and depletion of said county treasury had been in progress a number of years; that during said years said Childs while presiding as judge aforesaid had, in violation of the constitutional provision to that effect, failed and neglected annually to summon a grand jury of the taxpayers of said county to investigate the internal administration and affairs of said county; that said expert in his supplementary report to the board of supervisors of said county, and which is a matter of public record in said Del Norte County, stated:

My statement of conditions in office of treasurer were even worse than stated in my report. An order for a grand jury was made on Monday, August 5th, and placed in the hands of W. L. Nichols, county clerk, with instructions from Judge Childs, not to place names of grand jurors in hands of Sheriff Huffman before Wednesday, the 7th inst., and not then if shortage in treasury had not been made good in the mean time.

Sufficient effort to secure the money made in the interim justified County Clerk Nichols, in still holding names of grand jurors pending an actual count of money made on Thursday, August 8, 1912, at 3 p.m., when it was found that actual money had been placed in treasury to cover all unsecured paper except Hobbs, Wall & Co., they agreeing with auditing board that their paper amounting to \$9567 70 would be taken up and actual money be paid treasurer to cover it, by 10 a.m. on Monday, August 12, 1912. Judge John L. Childs was notified of conditions by telephone and agreeable to his decision, the order for grand jury was rescinded this 9th day of August, 1912.

(Sg) P. W. GAYNOR, Examiner.

That the expert recommended that proceedings be instituted to collect interest from the various corporations and individuals using the money of said county contributed by the taxpayers of said county, and stated that the amount of money carried in deposits held and used by the banks and firms for the past two fiscal years (and and which were totally unsecured) was as follows.

June 30, 1910.....	\$13149.10
Aug. 31, 1910.....	11400.00

\$353991.18

Making an average monthly balance for 23 months of \$15390.92 which should have drawn interest at 2 per cent while this principal was secured in part only

Your sub-committee finds that on the 26th day of July, 1912, the treasury of Del Norte County was short of coin in the sum of \$29,406 25, according to the report of one P. W. Gaynor, expert employed by the board of supervisors to investigate the treasurer's and other county offices, that in lieu of said money, "I.O.U.'s", and checks of Hobbs, Wall & Company to the amount of \$15,617 70 were found in the safe of the said treasurer, and that the balance, amounting to the sum of \$13,708 55 was owed by the Crescent City Bank, J. P. Bowman and others; that among said checks and notes was found one check, amounting to \$81 25, of said John L. Childs. That said John L. Childs took steps to cause said money to be returned to said treasury and directed the summoning of a grand jury and threatened prosecution to one J. P. Bowman in case he did not return said money to said treasury. That for three years, to wit, the years 1911, 1912 and 1913, said John L. Childs as judge of said Superior Court of the county of Del Norte neglected to summon and impanel a grand jury as required and made mandatory by the Constitution and laws of the State of California; that no action was taken either by said judge or by the district attorney of said county to prosecute said treasurer who undoubtedly had been guilty of misfeasance in office. Neither was any action taken to prosecute those who had illegally borrowed said money from said county. That in failing to summon said grand jury in the years above referred to and by failing to see that such steps were taken by the district attorney toward the prosecution of the persons connected with said illegal transactions, in borrowing said money from said county, your sub-committee finds that said judge neglected his plain duty and that no justifiable excuse has been given for not calling said grand jury. From the evidence it was shown that said John L. Childs did not borrow any money from said treasurer belonging to said county, but on the contrary it was found that a check to said John L. Childs, found in the safe of the treasurer, was one drawn payable to the tax collector of said county and was claimed by said Judge John L. Childs to have been given to said tax collector in payment of taxes due several months previous and the evidence bears out this contention.

Your sub-committee further finds that said Judge Childs has been too active and concerned himself unnecessarily in the litigation and trial of cases pending and about to be tried in the court over which said Childs presided as judge; that such activity was particularly pronounced in criminal cases in this, to wit, that said Judge Childs made repeated and frequent visits to the county jail to consult and interview persons incarcerated therein and such familiarity with persons charged with crime and before their trial, this sub-committee considers altogether improper, unwarranted and as tending to prevent such persons from having a fair and impartial trial.

That at the commencement of this investigation the question arose as to the admissibility of testimony relative to matters occurring before the present term of office of Judge Childs. Judge Childs had served two terms previous to his present term as judge of the Superior Court of Del Norte County and all the matters and acts complained of against him in the complaint filed herein was shown to have occurred during his previous terms of office. Your sub-committee ruled against the objections of the counsel of said Childs to the admissibility of such testimony and admitted evidence of all matters pertaining to the alleged official misconduct of said Judge John L. Childs, occurring during his previous terms of office, feeling that under decisions heretofore made and precedents established in impeachment proceedings before the Legislature that your sub-committee could properly take cognizance of matters occurring prior to the commencement of Judge Childs' present term. Your sub-committee feel, that it was their duty to receive all such evidence as might become material, leaving it to the Assembly to determine as to its availability in any further proceeding that may be had in this matter.

FINALLY.

That said Childs has not been a model judge. He has taken altogether too active a part in politics; he has participated too frequently in the business activities and enterprises in his county and to such an extent that the same has interfered with his judicial duties and responsibilities, and his conduct as a jurist, as testified to by said Childs himself, more than any other witness justifies much criticism of his conduct. His judicial indiscretions and improprieties have been of such a degree and character and frequency that we deem that his future usefulness as Superior Judge of Del Norte County is seriously and permanently impaired, but your sub-committee are of the opinion that he has not been dishonest as a judge or committed actions showing moral turpitude.

We submit that in case articles of impeachment are presented by the Assembly against Judge Childs at the bar of the Senate, it will devolve upon the Assembly to establish the truth of these specifications or some of them, or others, beyond a reasonable doubt.

RECOMMENDATION.

Wherefore, your sub-committee, after due consideration of all the evidence adduced at the hearing, find therefrom and therefore recommend to you that the Honorable

John L. Childs, judge of the Superior Court of the State of California in and for the county of Del Norte, be not impeached.

MINORITY REPORT.

SACRAMENTO, CALIFORNIA, May 6, 1915.

MR. SPEAKER: We, the undersigned members of the Judiciary Committee, herewith submit our minority report on the matter of the charges filed in the Assembly of the forty-first session of the Legislature of California against John L. Childs, Judge of the Superior Court of Del Norte County.

The report of the sub-committee to this committee, attached to the report of said committee filed herewith sets forth the following findings of facts:

1. That in connection with said Childs' conduct in accompanying the Sheriff of Del Norte County to Oregon to bring back one Ruby Bartol, charged with crime, and in afterwards presiding at the trial of said Ruby Bartol, said Childs committed a serious judicial indiscretion and was guilty of serious judicial misconduct. (Page 5.)

2. That in the matter of the trial of one J. P. Bowman, the remark of said John L. Childs while presiding at the trial of said Bowman to said jury at the time said jury returned a verdict in said case, as follows: "This doesn't find him guilty of anything," was highly improper and a breach of judicial propriety, although not reversible error. (Page 6.)

3. That said John L. Childs is deserving of censure and criticism in that he was unduly active in prospective litigation against the firm of Hobbs, Wall & Company. (Page 7.)

4. That said Judge John L. Childs owed the sum of \$2,000.00, evidenced by two promissory notes, to Christian Fafri in his lifetime, that at the time of the death of said Christian Fafri, said notes were not paid and said Judge John L. Childs has not since paid said notes to the executors of said estate of said Christian Fafri, deceased, nor at all; and in an action brought by the said executors against said John L. Childs and certain sureties who indorsed said notes, for the purpose of collecting the same, said John L. Childs did, in his demurrer, plead the statute of limitations, for the purpose of avoiding the payment of said just indebtedness. (Page 8.)

5. That in writing and publishing a certain defamatory article referring to one Rev. A. F. W. Walters said Childs was guilty of misconduct in office and of most indiscreet behaviour as a judge of the Superior Court. (Page 10.)

6. That said Childs as judge of said Superior Court has in many instances ignored the plain mandates of the law of this State and has failed to follow the course of precedent in criminal matters ordinarily practiced and followed in other Superior Courts and that he has, upon several occasions, violated the plain provisions of the Constitution of the State of California. (Page 12.)

7. That said Childs in requesting the grand jury, then in session, to be present at the preliminary hearing of a charge of criminal libel against him, made such request in order to influence the judgment of the justice of the peace legally charged with the duty of hearing the charge against him in said preliminary proceedings and to obtain a judgment of dismissal of said charge. That by his conduct in said proceedings said Childs was guilty of most unusual and irregular conduct; that said proceeding is without precedent, and that by taking such a course the said Judge is guilty of misconduct. (Page 12.)

8. That in failing to summon the grand jury in the years 1911, 1912 and 1913 as required by the Constitution, and by failing to see that steps were taken by the District Attorney towards the prosecution of persons connected with illegal transactions in borrowing money from the county, said judge neglected his plain duty, and that no justifiable excuse has been given for not calling said grand jury.

9. That said Childs has taken altogether too active a part in politics; he has participated too frequently in the business activities and enterprises in his county and to such an extent that the same has interfered with his judicial duties and responsibilities, and his conduct as a jurist, as testified to by said Childs himself, more than any other witness, justifies much criticism of his conduct. His judicial indiscretions and improprieties have been of such a degree and character and frequency that we deem that his future usefulness as Superior Judge of Del Norte County is seriously and permanently impaired.

Impeachment is a matter of legislative policy and discretion and in the exercise of that power the Legislature is supreme and not subject to judicial precedent or tradition. No other tribunal is provided by which a judicial officer may be tried and removed from office. Between removal by impeachment and by concurrent resolution, which are the two ways in which the Legislature can act, there would appear to be no fundamental difference. A refusal to impeach is tantamount to a declaration of legislative policy condoning acts in a judicial officer such as those which the accused has been found by the committee to have committed.

We can not bring ourselves to the belief that the Assembly is justified in so declaring and that for such misconduct there is no remedy or that the acts in question are so trivial as not to justify removal from office.

The fact that a judicial officer might be recalled is no justification for a refusal to impeach. Such recall might afford adequate protection for the rights of the majority, but the only means afforded for the protection of the minority is an appeal to the Legislature. There is no officer more intimately concerned with the vital affairs of the community than the Superior Judge, and it behooves the Legislature to maintain the dignity and integrity of the bench by requiring of such officers a high standard of conduct.

By the accusations which have been made the Assembly would seem to be placed in the position either of impeaching the accused or of exonerating him. To exonerate him would be to justify in himself and other judicial officers the conduct of which he has been guilty. Recognizing the responsibility of the position in which we are placed, and the necessity of upholding the dignity and the integrity of the judiciary, we find ourselves unable to join in the opinion of the majority.

Whether or not the Senate may deem the acts in question as proper, or as too trivial for consideration, is no concern of the Assembly. In our opinion the misconduct is far from trivial. It is for this body to determine what is the proper policy to be established by the Legislature in cases of this kind, and to determine what standard of conduct should be insisted upon in judicial officers, and if we believe that the accused has been guilty of impeachable misconduct, it is our duty so to declare and leave to the Senate its own responsibility.

The question presented by the report of the sub-committee is whether its findings justify the filing of articles of impeachment. In this regard we are compelled to accept the findings and can not go behind them without reviewing the great mass of testimony introduced.

In view of the findings made by the sub-committee, the undersigned minority can not subscribe to the report, asking that the said John L. Childs be not impeached, but on the contrary believe that the findings warrant articles of impeachment being presented against the said John L. Childs by this Assembly, and we do so recommend.

Respectfully submitted.

ASSEMBLY CHAMBER, SACRAMENTO, May 6, 1915.

MR. SPEAKER: On the 24th day of April, 1915, the Assembly of the State of California did, by resolution duly adopted, refer to the Judiciary Committee of the Assembly certain documents bearing the name John Lapique, with instructions to examine the same and report to this Assembly its recommendations in regard thereto.

The documents so referred to the committee are five in number, three thereof being addressed to this Assembly, two under date of March 29, 1915, the other under date of April 15, 1915. In said documents charges are made against twelve judges of the Superior Court, one Justice of the District Court of Appeal, and two justices of the Supreme Court of this State. All of these charges emanate from and are made by the same complainant, John Lapique.

Pursuant to said resolution of the Assembly, the Committee on Judiciary has had all said documents under consideration and reports as follows:

The said petitions and all matters contained therein have been given full and careful consideration by the committee. In the unanimous judgment of the committee the petitions upon their face are of an utterly irresponsible nature and in the main, both as to form and substance, of such an absurd and ridiculous character as to render them unworthy the further consideration of your committee or of this Assembly.

The committee therefore unanimously recommends to the Assembly that no further consideration be given these petitions.

MESSAGE FROM THE GOVERNOR—(OUT OF ORDER).

The following message from the Governor was received and read:

To the Assembly of the State of California:

In accordance with the provisions of section 16 of article IV of the Constitution, I return you herein Assembly Bill No. 330, without my approval.

The Act is general in form, providing substantially that any person who heretofore shall have entered into any contract or agreement with a city for excavating, paving, curbing, sewerage or improving any street, public place or sidewalk, the expense of which was to become a lien upon specific private property affected, and the contractor has performed his services, but because of error, defect or omission has been unable to collect the value or the contract price, then, and in that event, the contractor or his heirs or assigns, shall have a cause of action against the city for negligence by reason of the error, defect, or omission which prevented the collection of the claim, and the contractor or his heirs or assigns may recover in an action against the city for such negligence, the amount of his expense or the value of the contract price. In other words the Act was designed to permit any contractor who has done any work in the instances specified, where the work was to be paid for by a lien upon private property, or collected from private individuals, to commence his action against the city that ordered the work and collect the amount due. Claims

that may have existed for a half a century against property owners for improvements of streets and the like, which have not been paid because of some omission, defect or error are, by this bill, made valid claims against the municipality wherein the property is situated.

The bill, doubtless, has reference specifically to one claim—that of Major Conlon, of San Francisco. In his instance, it appears that, prior to 1885, certain work was performed by him upon the streets of San Francisco that was a lien upon the specific property of individuals, and that through some defect in the proceedings, he was unable to collect the amount due to him. If this situation existed in respect to Major Conlon, it is certainly to be deplored; but it does not justify, after the lapse of thirty years, an Act which would make all municipalities in the State liable upon obligations for which those municipalities were not, in the first instance, liable. As I understand the claim of Major Conlon, it is not asserted that the city of San Francisco was liable to him, but only specific property of individual property owners, and while it is very earnestly insisted to me that gross injustice was done Major Conlon and while our sympathies may be roused by that injustice, by this Act do we not commit an injustice to the municipality and as well to all other municipalities in the State?

I telegraphed the mayor, the board of supervisors, and the city attorney of San Francisco, asking their views upon this bill. I am in receipt of a response from Hon. Percy V. Long, city attorney, protesting against the measure, and asking that it be vetoed, and I am in receipt, as well, of a telegram from Thomas Jennings, chairman of the finance committee of the board of supervisors, protesting in like fashion. The mayor of San Francisco is in accord with these gentlemen.

I recognize that the Conlon case as presented to me, excites our interest and arouses our sympathy; but it is peculiarly a case for the city of San Francisco and its authorities to deal with. I do not deem it a proper case, particularly with the views of the authorities of San Francisco before me, in which the State should act as against the protests of the locality concerned.

For the reasons given I have vetoed the bill.

HIRAM W. JOHNSON, Governor.

Dated: Sacramento, May 6, 1915.

The question being put: "Shall the bill become a law notwithstanding the veto of the Governor?"

The roll was called, and the veto of the Governor sustained by the following vote:

AYES—Mr. Hayes, J. J.—1.

NOES—Messrs. Arnerich, Ashley, Bartlett, Beck, Brown, Henry Ward; Burke, Cary, Chenoweth, Dennett, Downing, Edwards, R. G., Ellis, Encell, Ferguson, Gebhart, Hawson, Hayes, D. R., Johnson, Kerr, Kramer, Lostutter, Lyon, Manning, McDonald, J. J., McKnight, McPherson, Meek, Mouser, Pettis, Phelps, Phillips, Prendergast, Ream, Rominger, Salisbury, Sharkey, Shartel, Tabler, Widenmann, Wills, Wright, H. W., Wright, T. M., and Mr. Speaker—43.

Also:

To the Assembly of the State of California:

In accordance with the provisions of section 16 of article IV of the Constitution, I return you herein Assembly Bill No. 240, without my approval.

The Act purports to amend an Act entitled "An Act to provide for the indicating of the net quantity of food stuffs, etc.," approved May 24, 1913, known as the Net Container Act. It seeks to provide the method for determining the quantity of a commodity, but in some respects does not wholly accomplish its purpose. The author, Assemblyman Scott, has requested me to veto this particular measure because Senate Bill No. 218, a more comprehensive Act, has passed both houses of the Legislature and should be, as the author asserts, the sole law dealing with the subject.

In accordance with the request of the author, therefore, I have vetoed this particular bill—Assembly Bill No. 240.

HIRAM W. JOHNSON, Governor.

Dated: Sacramento, May 6, 1915.

The question being put: "Shall the bill become a law notwithstanding the veto of the Governor?"

The roll was called, and the veto of the Governor sustained by the following vote:

AYES—None.

NOES—Messrs. Arnerich, Bartlett, Brown, Henry Ward; Browne, M. B., Burke, Chenoweth, Dennett, Downing, Edwards, R. G., Ellis, Encell, Ferguson, Gebhart, Hawson, Hayes, D. R., Hayes, J. J., Johnson, Judson, Kennedy, Kerr, Kramer,

REPORTS OF STANDING COMMITTEES—(OUT OF ORDER).

The following reports of standing committees were received and read:

ON JUDICIARY.

ASSEMBLY CHAMBER, SACRAMENTO, May 6, 1915.

MR. SPEAKER: On the 24th day of April, 1915, the Assembly of the State of California, did, by resolution duly adopted, refer to the Judiciary Committee of the Assembly certain documents bearing the name John Lapique, with instructions to examine the same and report to this Assembly its recommendations in regard thereto.

The documents so referred to the committee are five in number, three thereof being addressed to this Assembly, two under date of March 29, 1915, the other under date of April 15, 1915. In said documents charges are made against twelve Judges of the Superior Court, one justice of the District Court of Appeal, and two justices of the Supreme Court of this State. All of these charges emanate from and are made by the same complainant, John Lapique.

Pursuant to said resolution of the Assembly, the Committee on Judiciary has had all said documents under consideration and reports as follows:

The said petitions and all matters contained therein have been given full and careful consideration by the committee. In the unanimous judgment of the committee the petitions upon their face are of an utterly irresponsible nature and in the main, both as to form and substance, of such an absurd and ridiculous character as to render them unworthy the further consideration of your committee or of this Assembly.

The committee therefore unanimously recommends to the Assembly that no further consideration be given these petitions.

FISH, Chairman.

Mr. Fish moved the adoption of the report.

Report adopted.

Also:

SACRAMENTO, May 7, 1915.

MR. SPEAKER: Pursuant to resolution of the Assembly of the State of California, adopted on the first day of April, 1915, referring to the Committee on Judiciary the complaint of Mrs. Frank Ladson et al., against John L. Childs, a judge of the Superior Court of the State of California in and for the county of Del Norte, your Committee on Judiciary appointed, on April 5, 1915, a sub-committee consisting of Messrs. Johnson, Brown, Edwards, McKnight and Satterwhite to examine into said matter and to report back to this committee.

That on the fifth day of May, 1915, said sub-committee made the report to said committee herewith annexed, marked Exhibit "A" and made a part hereof;

That thereupon, at a meeting of said Committee on Judiciary, held on the sixth day of May, 1915, the said report of said sub-committee was adopted as the report to be submitted to this Assembly on the part of said Committee on Judiciary.

In accordance with said report of said sub-committee, adopted as aforesaid, your Committee on Judiciary recommends that the Hon John L. Childs, judge of the Superior Court of the State of California, in and for the county of Del Norte, be not impeached.

Respectfully submitted,

FISH, Chairman.

Mr. Fish moved the adoption of the report.

Mr. Pettis moved as a substitute, the adoption of the following minority report:

MINORITY REPORT.

SACRAMENTO, CALIFORNIA, May 6, 1915.

MR. SPEAKER. We, the undersigned members of the Judiciary Committee, herewith submit our minority report on the matter of the charges filed in the Assembly of the forty-first session of the Legislature of California against John L. Childs, judge of the Superior Court of Del Norte County.

The report of the sub-committee to this committee, attached to the report of said committee filed herewith sets forth the following findings of facts:

1. That in connection with said Childs' conduct in accompanying the Sheriff of Del Norte County to Oregon to bring back one Ruby Bartol, charged with crime, and in afterwards presiding at the trial of said Ruby Bartol, said Childs committed a serious judicial indiscretion and was guilty of serious judicial misconduct. (Page 5.)

2. That in the matter of the trial of one J. P. Bowman, the remark of said John L. Childs while presiding at the trial of said Bowman to said jury at the time said jury returned a verdict in said case, as follows: "This doesn't find him guilty of anything," was highly improper and a breach of judicial propriety, although not reversible error. (Page 6.)

3. That said John L. Childs is deserving of censure and criticism in that he was unduly active in prospective litigation against the firm of Hobbs, Wall & Company. (Page 7.)

4. That said Judge John L. Childs owed the sum of \$2,000.00, evidenced by two promissory notes, to Christian Fafri in his lifetime; that at the time of the death of said Christian Fafri, said notes were not paid and said Judge John L. Childs has not since paid said notes to the executors of said estate of said Christian Fafri, deceased, nor at all; and in an action brought by the said executors against said John L. Childs and certain sureties who indorsed said notes, for the purpose of collecting the same, said John L. Childs did, in his demurrer, plead the statute of limitations, for the purpose of avoiding the payment of said just indebtedness. (Page 8.)

5. That in writing and publishing a certain defamatory article referring to one Rev. A. F. W. Walters said Childs was guilty of misconduct in office and of most indiscreet behavior as a judge of the Superior Court. (Page 10.)

6. That said Childs as judge of said Superior Court has in many instances ignored the plain mandates of the law of this State and has failed to follow the course of precedent in criminal matters ordinarily practiced and followed in other Superior Courts and that he has, upon several occasions, violated the plain provisions of the Constitution of the State of California. (Page 12.)

7. That said Childs in requesting the Grand Jury, then in session, to be present at the preliminary hearing of a charge of criminal libel against him, made such request in order to influence the judgment of the justice of the peace legally charged with the duty of hearing the charge against him in said preliminary proceedings and to obtain a judgment of dismissal of said charge. That by his conduct in said proceedings said Childs was guilty of most unusual and irregular conduct; that said proceeding is without precedent, and that by taking such a course the said judge is guilty of misconduct. (Page 12.)

8. That in failing to summon the grand jury in the years 1911, 1912 and 1913 as required by the Constitution, and by failing to see that steps were taken by the district attorney towards the prosecution of persons connected with illegal transactions in borrowing money from the county, said judge neglected his plain duty, and that no justifiable excuse has been given for not calling said grand jury.

9. That said Childs has taken altogether too active a part in politics; he has participated too frequently in the business activities and enterprises in his county and to such an extent that the same has interfered with his judicial duties and responsibilities, and his conduct as a jurist, as testified to by said Childs himself, more than any other witness, justifies much criticism of his conduct. His judicial indiscretions and improprieties have been of such a degree and character and frequency that we deem that his future usefulness as Superior Judge of Del Norte County is seriously and permanently impaired.

Impeachment is a matter of legislative policy and discretion and in the exercise of that power the Legislature is supreme and not subject to judicial precedent or tradition. No other tribunal is provided by which a judicial officer may be tried and removed from office. Between removal by impeachment and by concurrent resolution, which are the two ways in which the Legislature can act, there would appear to be no fundamental difference. A refusal to impeach is tantamount to a declaration of legislative policy condoning acts in a judicial officer such as those which the accused has been found by the committee to have committed.

We can not bring ourselves to the belief that the Assembly is justified in so declaring and that for such misconduct there is no remedy or that the acts in question are so trivial as not to justify removal from office.

The fact that a judicial officer might be recalled is no justification for a refusal to impeach. Such recall might afford adequate protection for the rights of the majority, but the only means afforded for the protection of the minority is an appeal to the Legislature. There is no officer more intimately concerned with the vital affairs of the community than the Superior Judge, and it behooves the Legislature to maintain the dignity and integrity of the bench by requiring of such officers a high standard of conduct.

By the accusations which have been made the Assembly would seem to be placed in the position either of impeaching the accused or of exonerating him. To exonerate him would be to justify in himself and other judicial officers the conduct of which he has been guilty. Recognizing the responsibility of the position in which we are placed, and the necessity of upholding the dignity and the integrity of the Judiciary, we find ourselves unable to join in the opinion of the majority.

Whether or not the Senate may deem the acts in question as proper, or as too trivial for consideration, is no concern of the Assembly. In our opinion the misconduct is far from trivial. It is for this body to determine what is the proper policy to be established by the Legislature in cases of this kind, and to determine what standard of conduct should be insisted upon in judicial officers, and if we believe that the accused has been guilty of impeachable misconduct, it is our duty so to declare and leave to the Senate its own responsibility.

The question presented by the report of the sub-committee is whether its findings justify the filing of articles of impeachment. In this regard we are compelled to accept the findings and can not go behind them without reviewing the great mass of testimony introduced.

In view of the findings made by the sub-committee, the undersigned minority can not subscribe to the report, asking that the said John L. Childs be not impeached, but on the contrary believe that the findings warrant articles of impeachment being presented against the said John L. Childs by this Assembly, and we do so recommend.

Respectfully submitted

ASSEMBLY JOINT RESOLUTION NUMBER FOUR.

Memorializing Congress relative to protecting political liberty of Civil Service employees.

WHEREAS, Freedom of speech, the right of assemblage and above all the right of the ballot and political action in general, constitute the chief elements of American citizenship, and are among the most sacred and priceless liberties of our people, liberties for which our fathers fought and died, liberties bought for us and for all humanity with the precious lives and ceaseless labors of those who have gone before, rights and liberties upon which chiefly rests our claim of being a free people and a great nation; and,

WHEREAS, In recent years these rights and privileges are being increasingly invaded and ruthlessly set aside by the arbitrary rulings of the Civil Service Commission of the United States and others in high official positions, especially with reference to the employees of the Postal Department, the Army and Navy; and,

WHEREAS, This invasion of the rights of the citizens of this nation has at one time or another taken the extreme form of denying to the employees of the government the right to petition; and,

WHEREAS, This tendency to drastic restriction of the rights and privileges of the public employees has manifested itself during the last year in ruling more extreme and unwarranted than ever, viz., forbidding public employees from taking any part, even so small as the making of a resolution or assisting in the drafting of a resolution in a meeting of a political club; forbidding the writing of a communication signed or unsigned concerning any political measure for a newspaper; forbidding activity in behalf of woman suffrage or the prohibition of the liquor traffic; prohibiting the distribution of campaign literature or the circulation of initiative, referendum or recall petitions; and,

WHEREAS, These drastic restrictions of the rights of the employees of the government are rigidly interpreted and vigorously enforced by the Civil Service Commission against the rank and file, the higher officials, such as the Postmaster General, first class postmasters and the like, are quite exempt, which is class legislation and discrimination of the rankest sort in a government where all are professedly free and equal; therefore, be it

Resolved by the Legislature of the State of California, That the President and the Congress of the United States be and are hereby respectfully and urgently petitioned by this body in the interest of civil and political freedom, to proceed immediately by all means within their power to have rescinded and repealed all actions of the United States Civil Service Commission and rulings by said body or other officials concerned which abridge or restrict the full right of free speech, of petition, assemblage or of free political action on the part of public employees; and, be it further

Resolved, That we hereby urge upon the President and Congress of the United States the immediate passage of such laws governing the operation and rulings of the Civil Service Commission of the United States as shall henceforth guarantee the full and equal rights of every public employee of this nation as to all matters political, civil and economic, on the same basis as that of every other American citizen.

ASSEMBLY JOINT RESOLUTION NUMBER TWENTY-NINE.

Requesting Congress at its next session in Washington, D. C., to grant relief to the viticultural interests of California by repealing or amending the Act approved October 22, 1914, increasing the revenue tax on brandy used in fortification of sweet wines from three cents to fifty-five cents per proof gallon.

WHEREAS, By an Act entitled "An Act to increase the revenue and for other purposes," approved October 22, 1914, Congress increased the revenue tax on brandy used in fortification of sweet wines from three cents a proof gallon to fifty-five cents per proof gallon, and according to the official opinion received from the treasury department made no provision for nullifying such increase after the end of the year 1915; and

WHEREAS, Such increase of tax and the automatic additional increase to \$1.10 per proof gallon after January 1, 1916, will have the effect of practically preventing the use of California grapes for sweet wines in California for all time to come; and

WHEREAS, Such prohibitive taxation not only defeats its own object of acquiring revenue, but deals a crushing blow to the entire vineyard interests of California as explained by Bulletin No. 4 just issued by the State Board of Viticultural Commissioners; which bulletin is attached and made a part of this resolution; therefore, be it

Resolved by the Senate and Assembly, jointly, That Congress be requested through California's Representatives and Senators, and through the State Board of Viticultural Commissioners of this State, to grant such immediate relief by necessary legislation at its next session as will assure the preservation of our viticultural industry, which in California alone represents an investment of \$150,000,000.

BULLETIN No. 4.

SPECIAL BULLETIN TO THE VINEYARDISTS AND WINE MANUFACTURERS OF CALIFORNIA.

By the State Board of Viticultural Commissioners

Issued at Sacramento, California, May 10, 1915.

Your State Board of Viticultural Commissioners deems it advisable to issue this bulletin on a special current subject which is of vital importance to the vineyard and wine interests of California.

When Congress last fall imposed a special tax of 55 cents a proof gallon on brandy used in the fortification of sweet wines, it was presumed that the tax was for emergency purposes in meeting deficiencies in national revenue, and that it would apply only on a portion of the 1914 vintage, and all of the 1915 vintage; and that the tax of 3 cents per proof gallon on fortifying brandy would apply again after 1915.

The new tax regulation went into effect, and now we are informed by an interpretation of the Act from the Commissioner of Internal Revenue, at Washington, D. C., that former Acts of Congress are repealed, and that the 55-cent tax applying this year becomes \$1.10 after the first of the coming year instead of reverting to the 3-cent tax which has been in vogue for over eight years.

In order that the attitude at Washington may be thoroughly understood, we publish the following letter:

TREASURY DEPARTMENT.

Office of Commissioner of Internal Revenue.

WASHINGTON, April 21, 1915

E. M. SHEEHAN, Esq.,

Secretary State Board of Viticultural Commissioners, Sacramento, California.

SIR, I am in receipt of your letter of the 10th instant, relative to the use of brandy in the fortification of sweet wines, and requesting that you be advised as to

the rate of tax which will be in force as to brandy so used, on and after January 1, 1916.

By an Act entitled "An Act to increase the revenue and for other purposes," approved October 22, 1914, the provisions of the Act of October 1, 1890, and the amendatory Act of June 7, 1906, so far as relate to the question involved, were re-enacted with certain amendments, under which a tax of 55 cents per gallon was imposed on brandy so used, in lieu of the tax exemption provided in the Act of 1890 and the charge of 3 cents per gallon imposed by the Act of 1906.

After careful examination, this office is of the opinion that the provisions of the Act of October, 1914, above referred to, operate as a repeal of the former provisions of the Acts of October, 1890, and June, 1906, and that on and after January 1, 1916, the date on which the Act of October, 1914, expires by limitation, the brandy used in the fortification of wine will be subject to the same tax as if withdrawn for other purposes, namely \$1.10 per proof gallon.

Section 12, Revised Statutes, provides that:

"Whenever an Act is repealed which repealed a former Act, such former Act shall not thereby be revived, unless it shall be expressly so provided."

In the Act of October 22, 1914, Congress made no such express provision, and as it had by said Act expressly repealed the provisions relative to the withdrawal of brandy free of tax for fortification purposes, and also the section of the law imposing a tax or charge of 3 cents per gallon upon brandy, evidently intended to simply cover the expense of withdrawal, there would be left neither the free-tax provision nor a special charge provision. Hence the law would exist taxing all distilled spirits at the rate of \$1.10 per gallon, without regard to the purposes for which the same were withdrawn, unless covered by other specific provisions. This construction is emphasized by the fact that Congress specifically restored and continued in full force the law imposing the tax on beer, but made no such provisions with regard to the withdrawal of brandy or other distilled spirits for fortification purposes.

I have carefully noted that portion of your letter relative to the possible effect that the repeal of these laws will have on the viticultural industries of your State; but, as stated in your letter, their consideration does not enter into the "administration of the laws that are made."

Respectfully,
(Signed)

W. H. OSBORN,
Commissioner.

The far reaching, destructive effects of this Act to the viticultural interests of California may be readily understood by a brief analysis of the situation in a few pointed paragraphs.

California normally crushes 225,000 tons of grapes for the making of her 18,000,000 gallons of sweet or fortified wines.

For eight years prior to October last, the federal tax of three cents per proof gallon on brandy used in the making of sweet wines amounted to, approximately, \$125,000 for California's annual production.

This year the 55-cent tax would (if the wineries could endure it) yield eighteen times the former amount, or nearly \$2,250,000. Those acquainted with conditions know, however, that there could be nothing like a normal production because of such a tax, and that there would be comparatively little sweet wine made in the State in 1915.

Finally, we learn that after this year the tax becomes \$1.10, which would mean a levy of \$4,500,000 on the normal sweet wine production of California, a tax nearly thirty-seven times greater than that which had applied less than a year ago.

The effect can not be misunderstood.

If the interpretation of the Act is correct (and we have no authority to oppose it), a crushing blow is dealt to the viticultural interests of this State. Not alone is ruin staring the sweet wine industry in the face, but every other branch of viticulture must suffer greatly as a consequence.

Practically prohibition of the manufacture of ports, sherries and all other fortified wines is in effect, and the only alternative, unless federal relief is afforded, is in converting sweet wine plants into dry wine wineries.

If this plan is resorted to, the normal dry wine production of California will be increased more than double, and as a result of great overproduction, marketing will become unprofitable. An increase in one year in the State's production of dry wines from 22,000,000 to 50,000,000 gallons will necessarily mean the application of the law of supply and demand to the detriment of the producers.

The other branches of viticulture to be affected are the raisin and table grape vineyards. Sometimes as much as 40 per cent. of their tonnage is sold to the sweet wine wineries and these grapes under the present Act and the future automatic application are worthless, because sweet wine manufacturers can not afford to defray the tax attendant on their manufacture into wine or brandy for fortifying.

A ton of culls of table or raisin grapes converted into brandy for purposes of fortifying sweet wine would subject the wine maker to a government tax this year amounting to about \$20 on that single ton of grapes, and next year at the \$1.10 rate, the government tax alone on that ton of grapes bought from a table grape or raisin producer would be about \$40.

In view of the situation, and charged as it is by statute with fostering and protecting the vineyard interests of California, your State Board of Viticultural Commissioners proposes that a vigorous effort be made to cause a repeal of this Act at the next session of Congress.

By way of inaugurating a plan of action, it is proposed to hold a meeting of the Board in San Francisco on the morning of May 21st, and a mass meeting of vineyardists, wine makers and interested citizens in the afternoon of the same day at two o'clock, in the large assembly hall of the Phelan Building, 760 Market street, second floor, room 249, where every phase of the situation will be fully set forth and discussed, and where suitable resolutions may be adopted pleading the cause of viticulture in California and asking Congress to grant immediate relief from what appears to be an unintentional injury to one of the State's greatest industries.

Besides the entire Board of Viticultural Commissioners, we hope to have in attendance at the mass meeting California's representatives in Congress in order that they may fully understand what the imposition of the tax means to this State and be able to attend the next session in Washington fully prepared to present the just claims of the State.

We intend also to reach by letter every member of Congress before next session in an endeavor to present our contention for justice in such a convincing manner that the request will not go unheeded for lack of understanding of our unenviable position.

Viticulturalists particularly and citizens generally are invited to attend the mass meeting on the date mentioned heretofore in this bulletin.

Respectfully,

SENATE CONCURRENT RESOLUTION NUMBER TWENTY-TWO

Relative to the correction of erroneous reports regarding California's experience under woman suffrage.

WHEREAS, The issue of woman suffrage is pending in many states of the union; and

WHEREAS, The operation and effect of the enfranchisement of women in California is being constantly misrepresented in such states and used there as arguments in opposition to the granting of suffrage to women; therefore be it.

Resolved, by the Senate of the forty-first session of the Legislature of the State of California, the Assembly concurring That the experience of this State amply justifies the adoption of woman suffrage by the people in October, 1911; and be it further

Resolved, That so successful has been the operation and effect of granting political rights to women equal to those held by men that it is generally conceded that were the question to be again voted on by the people of this State, it would be re-endorsed by an overwhelming majority; and be it further

Resolved, That the adoption of woman suffrage by California is one of the important factors contributing to the marked political, social and industrial advancement made by our people in recent years, and that any disparagement of the cause of woman suffrage attempted elsewhere on the ground that woman suffrage is not

satisfactory to this State, has no basis in fact, and is signally disproved by the acknowledged intelligence and discrimination shown by women voters in the settling of our great political and industrial problems at the polls.

EXPLANATION OF VOTE.

The following explanation of vote was received, and ordered printed in the Journal:

By Mr. Gelder:

MR. SPEAKER I do not believe that Senate Bill No. 148 will do any good for persons suffering from tuberculosis. It will create more jobs and is a waste of the State's money. I am firmly of the opinion that this legislation is dealing with results and not with causes and basic principles. Tuberculosis comes as a result, to my mind, of the continued injecting into the human family of vaccine virus and similar serums. We, therefore, are dealing with a result and not a cause.

In addition, economic conditions being imperfect, children have not, as a result of improper nourishment, primarily superinduced by poverty, both on the part of the mother before the child is born, as well as the child itself, an equal opportunity to resist disease because of their physical condition, which is weakened as a result thereof.

As to aiding those who already have tuberculosis, I am also convinced that no medical treatment can aid tubercular persons. In my mind, the medical profession should direct its attention to the removal of the causes of tuberculosis, rather than wasting its time with results which cannot be removed.

SENATE CONSTITUTIONAL AMENDMENT NUMBER TWENTY-TWO.

A resolution to propose to the people of the State of California an amendment to the Constitution of said State, by amending section 1 of article IV thereof, relating to legislative powers, and reserving to the people of the State of California the power to propose laws, statutes and amendments to the Constitution and to enact the same at the polls independent of the Legislature and also reserving to the people of the State of California the power to approve or reject at the polls any Act or section or part of any Act of the Legislature.

The Legislature of the State of California, at its regular session commencing on the fourth day of January, 1915, two-thirds of all the members elected to each of the two houses of said Legislature voting in favor thereof, hereby propose that section 1 of article IV of the Constitution of the State of California, be amended so as to read as follows:

Section 1. The legislative power of this State shall be vested in a Senate and Assembly which shall be designated "The Legislature of the State of California," but the people reserve to themselves the power to propose laws and amendments to the Constitution, and to adopt or reject the same, at the polls independent of the Legislature, and also reserve the power, at their own option, to so adopt or reject any Act, or section or part of any Act, passed by the Legislature.

The enacting clause of every law shall be "The people of the State of California do enact as follows:".

The first power reserved to the people shall be known as the initiative. Upon the presentation to the Secretary of State of a petition certified as herein provided to have been signed by qualified electors, equal in number to eight per cent of all the votes cast for all candidates for Governor at the last preceding general election, at which a Governor was elected, proposing a law or amendment to the Constitution, set forth in full in said petition, the Secretary of State shall submit the said proposed law or amendment to the Constitution to the electors at the next succeeding general election occurring subsequent to ninety days after the presentation aforesaid of said petition, or at any special election called by the Governor in his discretion prior to such general election; *provided*, that no law creating a bonded indebtedness shall be enacted under this provision without the assent of two-thirds of the qualified electors voting thereon. All such initiative petitions shall have printed across the top thereof in twelve point black-face type the following: "Initiative measure to be submitted directly to the electors."

Upon the presentation to the Secretary of State at any time not less than ten days before the commencement of any regular session of the Legislature, of a petition certified as herein provided to have been signed by qualified electors of the State equal in number to five per cent. of all the votes cast for all candidates for Governor at the last preceding general election, at which a Governor was elected, proposing a law set forth in full in said petition, the Secretary of State shall transmit the same to the Legislature as soon as it convenes and organizes. The law

proposed by such petition shall be either enacted or rejected without change or amendment by the Legislature, within forty days from the time it is received by the Legislature. If any law proposed by such petition shall be enacted by the Legislature it shall be subject to referendum, as hereinafter provided. If any law so petitioned for be rejected, or if no action is taken upon it by the Legislature within said forty days, the Secretary of State shall submit it to the people for approval or rejection at the next ensuing general election. The Legislature may reject any measure so proposed by initiative petition and propose a different one on the same subject by a yea and nay vote upon separate roll call, and in such event both measures shall be submitted by the Secretary of State to the electors for approval or rejection at the next ensuing general election or at a prior special election called by the Governor, in his discretion, for such purpose. All said initiative petitions last above described shall have printed in twelve point black-face type the following: "Initiative measure to be presented to the Legislature."

The second power reserved to the people shall be known as the referendum. No Act passed by the Legislature shall go into effect until ninety days after the final adjournment of the session of the Legislature which passed such Act, except Acts calling elections, Acts providing for tax levies or appropriations for the usual current expenses of the State, and urgency measures necessary for the immediate preservation of the public peace, health or safety, passed by a two-thirds vote of all the members elected to each house. Whenever it is deemed necessary for the immediate preservation of the public peace, health or safety that a law shall go into immediate effect a statement of the facts constituting such necessity shall be set forth in one section of the Act, which section shall be passed only upon a yea and nay vote, upon a separate roll call thereon, *provided, however*, that no measure creating or abolishing any office or changing the salary, term or duties of any officer, or granting any franchise or special privilege, or creating any vested right or interest, shall be construed to be an urgency measure. Any law so passed by the Legislature and declared to be an urgency measure shall go into immediate effect.

Upon the presentation to the Secretary of State within ninety days after the final adjournment of the Legislature of a petition certified as herein provided, to have been signed by qualified electors equal in number to five per cent. of all the votes cast for all candidates for Governor at the last preceding general election at which a Governor was elected, asking that any Act or section or part of any Act of the Legislature, be submitted to the electors for their approval or rejection, the Secretary of State shall submit to the electors for their approval or rejection, such Act, or section or part of such Act, at the next succeeding general election occurring at any time subsequent to thirty days after the filing of said petition or at any special election which may be called by the Governor, in his discretion, prior to such regular election, and no such Act or section or part of such Act shall go into effect until and unless approved by a majority of the qualified electors voting thereon; but if a referendum petition is filed against any section or part of any Act the remainder of such Act shall not be delayed from going into effect.

Any Act, law or amendment to the Constitution submitted to the people by either initiative or referendum petition and approved by a majority of the votes cast thereon, at any election, shall take effect five days after the date of the official declaration of the vote by the Secretary of State. No act, law or amendment to the Constitution, initiated or adopted by the people, shall be subject to the veto power of the Governor, and no Act, law or amendment to the Constitution, adopted by the people at the polls under the initiative provisions of this section, shall be amended or repealed except by a vote of the electors, unless otherwise provided in said initiative measure; but acts and laws adopted by the people under the referendum provisions of this section may be amended by the Legislature at any subsequent session thereof. If any provision or provisions of two or more measures, approved by the electors at the same election, conflict, the provision or provisions of the measure receiving the highest affirmative vote shall prevail. Until otherwise provided by law, all measures submitted to a vote of the electors, under the provisions of this section, shall be printed, and together with arguments for and against each such measure by the proponents and opponents thereof, shall be mailed to each elector in the same manner as now provided by law as to amendments to the Constitution, proposed by the Legislature; and the persons to prepare and present such arguments shall, until otherwise provided by law, be selected by the presiding officer of the Senate.

If for any reason any initiative or referendum measure, proposed by petition as herein provided, be not submitted at the election specified in this section, such failure shall not prevent its submission at a succeeding general election, and no law or amendment to the Constitution, proposed by the Legislature, shall be submitted at any election unless at the same election there shall be submitted all measures proposed by petition of the electors, if any be so proposed, as herein provided.

Any initiative or referendum petition may be presented in sections, but each section shall contain a full and correct copy of the title, and text of the proposed measure. Each signer shall add to his signature his place of residence, giving the street and number if such exist. His election precinct shall also appear on the paper after his name. The number of signatures attached to each section shall be at the pleasure of the person soliciting signatures to the same. Any qualified elector of the State shall be competent to solicit said signatures within the county or city

and county of which he is an elector. Each section of the petition shall bear the name of the county or city and county in which it is circulated, and only qualified electors of such county or city and county shall be competent to sign such section. Each section shall have attached thereto the affidavit of the person soliciting signatures to the same, stating his own qualifications and that all the signatures to the attached section were made in his presence and that to the best of his knowledge and belief each signature to the section is the genuine signature of the person whose name it purports to be, and no other affidavit thereto shall be required. The affidavit of any person soliciting signatures hereunder shall be verified free of charge by any officer authorized to administer oaths. Such petitions so verified shall be prima facie evidence that the signatures thereon are genuine and that the person signing the same are qualified electors. Unless and until it be otherwise proven upon official investigation, it shall be presumed that the petition presented contains the signatures of the requisite number of qualified electors.

Each section of the petition shall be filed with the clerk or registrar of voters of the county or city and county in which it was circulated, but all said sections circulated in any county or city and county shall be filed at the same time. Within twenty days after the filing of such petition in his office the said clerk, or registrar of voters, shall determine from the records of registration what number of qualified electors have signed the same, and if necessary the board of supervisors shall allow said clerk or registrar additional assistance for the purpose of examining such petition and provide for their compensation. The said clerk or registrar, upon the completion of such examination, shall forthwith attach to said petition, except the signatures thereto appended, his certificate, properly dated, showing the result of said examination and shall forthwith transmit said petition, together with his said certificate, to the Secretary of State and also file a copy of said certificate in his office. Within forty days from the transmission of the said petition and certificate by the clerk or registrar to the Secretary of State, a supplemental petition identical with the original as to the body of the petition but containing supplemental names, may be filed with the clerk or registrar of voters, as aforesaid. The clerk or registrar of voters shall within ten days after the filing of such supplemental petition make like examination thereof, as of the original petition, and upon the completion of such examination shall forthwith attach to said petition his certificate, properly dated, showing the result of said examination, and shall forthwith transmit a copy of said supplemental petition, except the signatures thereto appended, together with his certificate, to the Secretary of State.

When the Secretary of State shall have received from one or more county clerks or registrars of voters a petition certified as herein provided to have been signed by the requisite number of qualified electors, he shall forthwith transmit to the county clerk or registrar of voters of every county or city and county in the State his certificate showing such fact. A petition shall be deemed to be filed with the Secretary of State upon the date of the receipt by him of a certificate or certificates showing said petition to be signed by the requisite number of electors of the State. Any county clerk or registrar of voters shall, upon receipt of such copy, file the same for record in his office.

The duties herein imposed upon the clerk or registrar of voters shall be performed by such registrar of voters in all cases where the office of registrar of voters exist.

The initiative and referendum powers of the people are hereby further reserved to the electors of each county, city and county, city and town of the State, to be exercised under such procedure as may be provided by law. Until otherwise provided by law, the legislative body of any such county, city and county, city or town may provide for the manner of exercising the initiative and referendum powers herein reserved to such counties, cities and counties, cities and towns, but shall not require more than fifteen per cent of the electors thereof to propose any initiative measure nor more than ten per cent of the electors thereof to order the referendum. Nothing contained in this section shall be construed as affecting or limiting the present or future powers of cities or cities and counties having charters adopted under the provisions of section 8 of article XI of this Constitution.

In the submission to the electors of any measure under this section, all officers shall be guided by the general laws of this State, except as is herein otherwise provided.

This section is self-executing, but legislation may be enacted to facilitate its operation and to protect petitions provided for herein from fraud and misrepresentation, but in no way limiting or restricting either the provisions of this section or the power herein reserved.

COMMUNICATION.

The following communication was received and ordered printed in the Journal:

STATEMENT BY THE SPEAKER.

I find in yesterday's Journal I am recorded as voting "No" on Assembly Joint Resolution No. 29, introduced by Assemblyman Bruck, regarding oppressive Federal taxes on the viticultural industry of this State, and I wish, in fairness to the resolution and its author, to state that it was not my intention to have so voted. While

I have always consistently opposed the evils attendant upon the saloon. I have at the same time always held that it was a mistake, both on the part of those who wish to rid themselves of those evils, and on the part of those interested in viticulture, to link the two propositions together. As long as viticulture remains one of the important industries of the State I believe it should be treated with fairness, and that oppressive taxation on the part of the national government should not prevail except as an emergency measure.
